Name and Center of the Association

The name of the association is ULUSLARARASI AFİRKA YATIRIMCILARI KONSEYİ DERNEĞİ (INTERNATIONAL AFRICA INVESTORS COUNCIL ASSOCIATION). The abbreviated name of the Association is "AIC". Its headquarters address is ANKARA.

Objectives of the Association and Operation Subjects, Ways and Fields of Activity to Achieve these Objectives

The Association aims to fulfill the mediation function related to the services that will direct the international stakeholders and/or investors who will contribute to the social, cultural and economic development of the African continent to the continental countries and support their work there.

It was established, while delivering the necessary humanitarian aid to the needy at home and abroad at ordinary times, it also delivers the necessary humanitarian aid to those who have been victimized, injured, disabled, hungry or exposed, persecuted in extraordinary situations such as disasters, wars etc. in our country and other countries, to the extent possible. To provide all kinds of assistance in all matters such as food, clothing, health, fuel, rent, shelter, establishment of business, housing and other matters to those in need and other relevant persons (refugees or disaster victims according to time) in order to fight against poverty and protect the interests of the society, to provide environmentally compatible, integrated management of water resources that form the basis of socioeconomic development such as energy, agriculture, health and environment, to facilitate access to water resources by using scientific systems in the light of technological developments. To meet the usable and drinkable water needs, which are the most natural rights of all living creatures on earth about the basic components of sustainable development. To contribute to better management of global underground resources through collaboration and information sharing with foundations, associations, universities, R&D organizations. To ensure the fair sharing of all living beings living underground and aboveground water resources for their use, to contribute to the formation of a culture of water use, water civilization and water peace between countries and communities. To cooperate with relevant national and international organizations in order to provide all kinds of humanitarian aid and services to all people at home and abroad without any discrimination and without being limited to service to a certain region or mass.
